

BA08 Health Care Range Bidet

coway

Electric Bidet BA08

If you suffer from arthritis, back conditions, eye sight limitations, disabled or large body size this is the Bidet for you.

Available in:

Standard seat

Elongated seat

The most versatile remote control Bidet on the market today featuring large easy to see raised buttons. Designed to provide the user with the utmost convenience.

The remote can be mounted on the wall or either side of the seat for ease of use for arthritic sufferers and the visually impaired.

Tamper proof wall holder

(Optional accessory)

Designed so you don't accidentally change the temperature and wash settings. For ease of use for elderly clients.

Warm water wash Provides a warm stream of water that can be adjusted to a suitable spray style

Narrow spray

Medium spray

Wide spray

Twin nozzles

Separate bottom and ladies wash nozzles thus removing any threat of cross contamination.

Heated seat (4 level adjustment)

The ergonomic design allows comfort for extended use.

Warm air dryer

After cleansing is complete, the warm air dryer leaves you feeling fresh and dry.

Engineered for your safety

This product is engineered for safe use in wet environments.

Preferred remote control Bidet for

- Occupational therapists ● Hospitals
- Retirement homes ● Healthcare professionals

The BA08 requires nuts to be fixed from underneath the pan, and will not work with sealed, back-to-wall pans. If unsure, please contact the supplier.
