Proudly Australia's own brand

InteliClean Plus AIR Bidet was built with the Australian consumer in mind. Our bidets are Australian Watermarked and Certified to ensure high standards of safety and quality.

Quality tested to Australian standards.

The INTELLICLEAN PLUS AIR bidet system includes all the iconic features listed below, plus

a one-touch wash function, fast-heating technology, advanced self-cleaning nozzles, a built-in self-diagnosis system, and a 180 kg safe working load.

Includes a 1-year manufacturer's warranty, with extended warranty options available for added peace of mind.

Night Light

Three adjustable spray jets with optional Pulse and Oscillating functions for a personalised, comfortable cleanse.

Self-cleaning stainless steel nozzles are automatically rinsed before and after every use.

INTEGRATED BACKFLOW PROTECTION

Built-in air gap technology supports compliant installation and helps minimise plumbing complications, providing confidence for both installers and end users.

ENHANCED BARIATRIC SUITABILITY

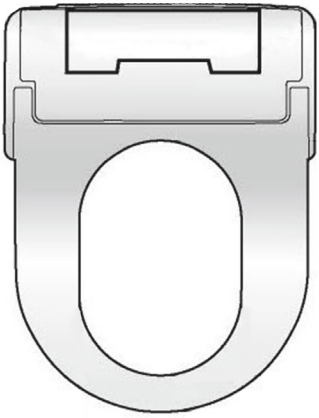

The reduced profile height and near-flat seat design provide significantly more usable seating space than the previous model, offering a substantial clinical benefit for bariatric clients.

OPTIMISED ANATOMICAL FIT

Available in both Round and U-Shape configurations to ensure optimal compatibility with standard and D-shaped toilet pans.

Round

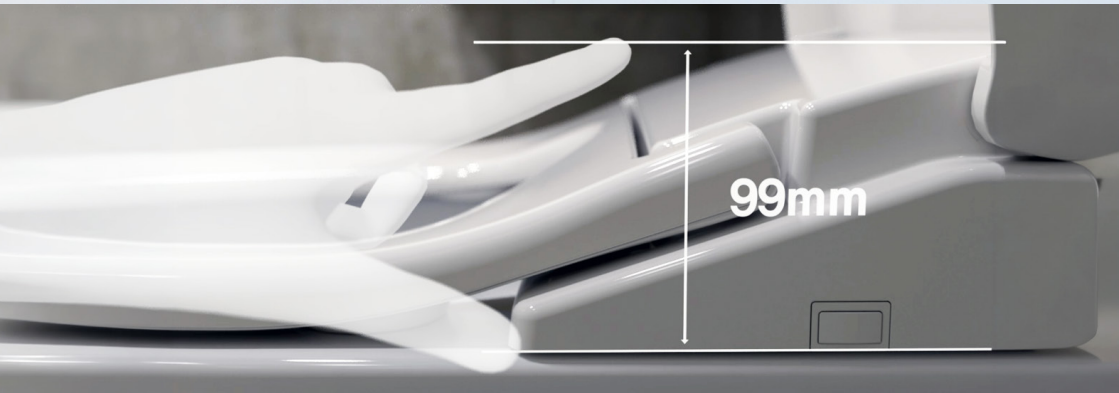

'U' Shaped

ULTRA-SLIM PREMIUM DESIGN

With an ultra-thin 99 mm profile and contemporary flat-seat design, the IntelliClean Plus Air offers a discreet, modern appearance that resembles a premium toilet seat rather than a traditional assistive device.

COMPLETE ASSISTIVE TECHNOLOGY INTEGRATION

Designed to integrate seamlessly with The Bidet Shop's complete range of toilet support arms, spacers, and electric lifting systems, allowing customised solutions for a wide range of mobility requirements.

IMPROVED USER INTERFACE

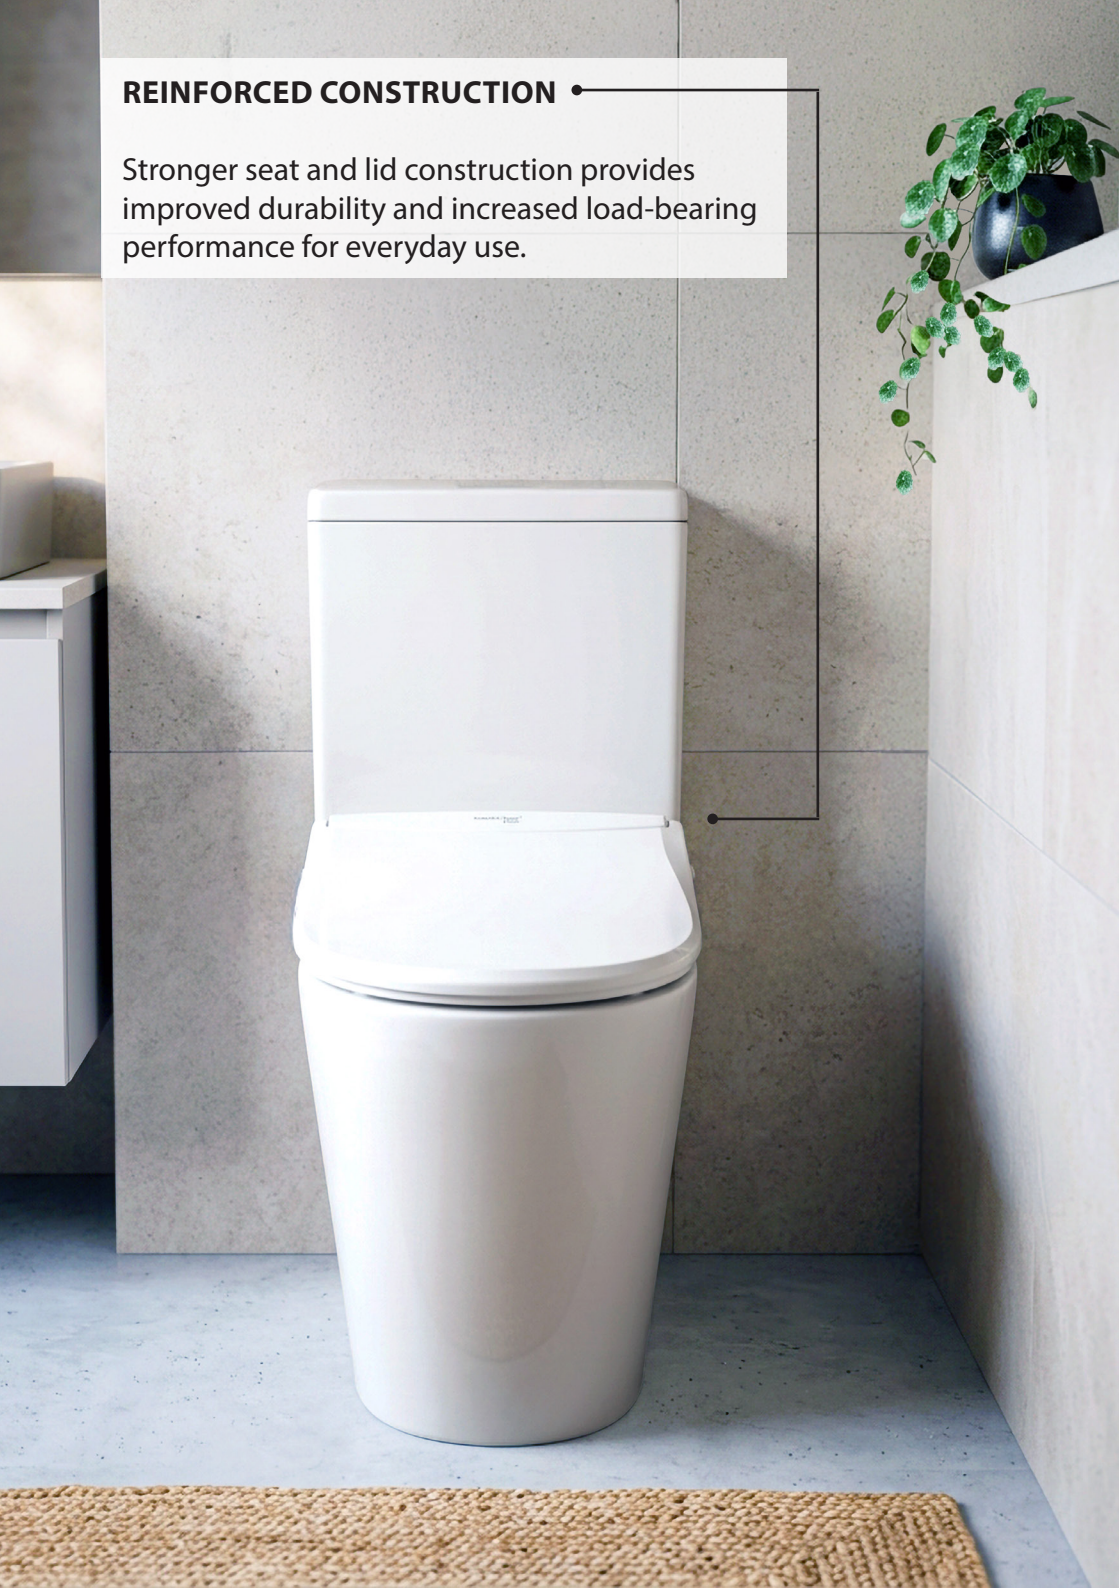

The redesigned remote control features larger, raised tactile buttons, making operation easier and promoting greater independence for users with reduced dexterity or vision.

REMOTE-FREE OPERATION

An integrated side-panel swipe control enables users to operate key bidet functions directly from the seat, reducing reliance on the handheld remote.

REINFORCED CONSTRUCTION
Stronger seat and lid construction provides improved durability and increased load-bearing performance for everyday use.

ONGOING PRODUCT SUPPORT

The IntelliClean 9000 will remain available until stock is exhausted, with replacement parts and servicing guaranteed for a minimum of five years, ensuring continuity of care for existing users.

Inteliclean Air 9000

Inteliclean Plus Air

IMPROVED VALUE

The IntelliClean Plus Air delivers enhanced features at a lower investment, with pricing reduced to $1,690 compared with $1,992 for the previous model.

INTELICLEAN PLUS AIR

Smarter Design. Greater Independence. Uncompromising Comfort.
